

Waiver / Liability / Work Ethic Promise

Player Name _____

As a player in the NorCal Mavericks program I promise to always put forth my very best effort. The game of baseball is extremely difficult and I understand that failure is a part of it. While I will strive to learn from my mistakes, I will not be too hard on myself when things don't go my way. I will respect myself, my teammates, coaches, equipment, and the facilities. I will take responsibility for knowing when and where practice and games are and I will communicate with coaches should I not be able to attend or if I am going to be late for any reason.
